Vol. 1

Welcome!

Welcome! We are so excited that your family has decided to join us at ECLCN! Please feel free to talk to us about any questions or concerns you might have. We have an open door policy at our center, and we would love to hear from you! As always, we welcome parent participation at our school. If you are interested in coming in to share the day, please contact Nanette.

Feel free to come into the center and assist your child in these morning activities, easing the transition from home. Reviewing the day with your child (through the help of your daily activity bulletin) is a good way to help your child recall what he or she learned that day! At the end of the day, we will sing our 'Goodbye' song, and you will be able to pick up your child in the Reading Jungle. Don't forget to stop at the 'Village Post Office' before leaving. Artwork, belongings and notices from us are stored in your child's mailbox!

Sign in/ out

Signing your child in and out every day with your **full legal signature**, is mandated by the California department of Social Services. We can be fined for every signature that is incomplete. Also, make sure the person designated for picking your child up is on your emergency form.

Start and end your day!

Below is the song we are using to greet the children in when they arrive.

*Start start start your day
In a healthy way!
Wash your hands and sign
your name
Before you start to play!*

*(sung to the tune of
Row Row Row Your Boat)*

Clothing

Our projects are fun and messy! Send your child to school every day in comfortable clothing that can be played in and is 'ok' to get dirty! For safety reasons, please have your child wear shoes that cover the foot; no sandals please.

Now that the weather is changing and getting colder, it is important to send a sweater or jacket to school with your child. Also, if you have sent summer attire for your extra change of clothes, it would be a good idea to send some warmer attire for the cool autumn months.

Projects

Occasionally we will be sending home a project for your family enjoy! Our first project is a "Family Apple" (letter attached). These projects will be used to share during your child's community meeting time. If you have any questions, please ask our teachers, Ms. Katherine or Ms. Sandra!

Tuition

Because of some technical difficulties, we do not have our internet payment set up for tuition. For the present time, we need all tuition payments to be in check form, made out to ECLCN.
